

Are you in need of advocacy assistance for a Residential Care concern?

Do you, a family member, or a friend in residential care in BC have a care concern, and need help to resolve it?

The BC Seniors Advocacy Network (BC SAN) may be able to assist you. BC SAN have trained volunteer advocates, who will work with you to help resolve your care concern, to the best of their ability. This service is free for seniors.

For assistance contact Jemma Templeton at 604-684-8171 ext.232 or via email, at jtempleton@411seniors.bc.ca

The BC SAN website is:

Although ACR undertakes systemic advocacy on residential care matters we are unable to provide personalized advocacy assistance for specific individual care concerns. We are, however, pleased to refer those requiring individual advocacy assistance to BC SAN.

Should you contact BC SAN, please let them know that you heard about their services through ACR!
